## We invite you to share your favourite photographs that reflect our 2020 Photography Competition theme: **Caring for the Countryside**

British farmers and growers work tirelessly to care for their animals and nurture the land and their crops, every day of every week, of every year – for the benefit of present and future generations.

We're celebrating their stewardship of the natural environment with this year's photography competition.

The overall winner will be decided by vote at **Agrii's summer events in June 2020.**

### Supporting British Farming Initiatives

As part of this year's Photography Competition, we are delighted to support our nominated charity, FCN and the Silver Lapwing Awards

#### The Farming Community Network

FCN is a voluntary organisation and charity that supports farmers and families within the farming community. More than 6,000 people a year benefit from FCN's support on a variety of issues and challenges including health and wellbeing, relationships, finances and business management.

#### The Silver Lapwing Awards

This prestigious national award run by the Farming and Wildlife Advisory Group celebrates growers who demonstrate a real commitment to species and habitat conservation; integrating environmental management into every part of their farm business.

By supporting the Agrii photo competition, you will be supporting this year's chosen initiatives, as for every entry to the competition Agrii will make a donation to FCN and the Silver Lapwing Awards.

More information and full competition terms and conditions are available online at [www.agrii.co.uk](http://www.agrii.co.uk).
