

Hebden Bridge Camera Club Annual Exhibition 2020

For the first time, our Annual Exhibition will take place on our website and will begin, as usual, on the August Bank Holiday weekend.

This showcase of our members' work will include digital and film images, displaying a variety of categories, styles and techniques.

These three images are the winners from last year's public vote for their favourites.

Please visit our website to view the exhibition and for details of membership.

Starts 29 August 2020
